**Paul Koretz**  
COUNCILMEMBER • 5TH DISTRICT • CITY OF LOS ANGELES

Dear Friends,

Before you hit the roads, I want to give you a heads up about lane closures on a major thoroughfare in our District.

SoCal Gas Company is preparing to install a new gas meter beneath Mulholland Drive (14430 Mulholland Drive) between Nicada Drive and Beverly Glen Boulevard. The project requires a two-foot trench for both the north and south side of Mulholland Drive. Work will begin Monday, March 13<sup>th</sup> and will end Friday, March 17<sup>th</sup> between the hours of 9:00 a.m. to 3:30 p.m.

This extensive project requires a lane closure. To help you navigate around the work, flagmen will be directing traffic. Additionally, there will be message boards at both ends of Mulholland Drive (within the project scope), one at Beverly Glen and the other near the 405 warning drivers of the upcoming project. The message boards will be out on site tomorrow. Please use Nicada Drive as an alternate route. As always, any emergency response vehicles will be given full access.

SoCal Gas expects to complete this project in one week. Unfortunately, due to the scope of the project, crews are unable to do work on the weekends.

To further our outreach efforts, Council District Five staff will inform the local Homeowner Associations, Neighborhood Watch groups, and Neighborhood Councils. I hope you can also help us spread the word in your community.

Thank you for your patience as we work to improve our aging infrastructure.

Should you have any questions or concerns, please contact my Valley Director, Gurmet Khara at [818-971-3088](tel:818-971-3088) or Mike Harriel with SoCal Gas at [213-244-4633](tel:213-244-4633).

Safe travels.

Sincerely,

Paul Koretz  
Council Member - 5th District  
City of Los Angeles
